

## Diagnosis of ME – local questionnaire

This survey was designed by the UK ME Alliance to help get a picture of how ME is being diagnosed across the UK. The information will be collated anonymously by WAMES, to provide statistics for a press release to the Welsh media, before being passed on to Action for ME for use in the UK campaign. This will support the launch of the ME Awareness Week early diagnosis campaign in May 2005.

Name:

Address:

Tel:

Email

1. When did you first become ill? Please give month and year where possible
2. When were you diagnosed?
3. Who made your diagnosis? (not the name, but the category of professional)
4. Please state briefly how the length of your diagnosis affected you? eg health, work, relationships

Are you prepared to talk to the media about your experiences of ME (in Welsh or English)?  
If so please contact Sylvia Penny [sylvia@wames.org.uk](mailto:sylvia@wames.org.uk) 0292 051 4328

Please return form to:  
Jan Russell  
Secretary of WAMES
